

Steve Harrison	
Current Employer – Role	Lead Hydrocarbons Engineer
Previous Employer – Roles	National Product Quality Manager / Distribution Engineering Manager / Refining Program Manager
Qualifications	Bachelor Chemical Engineering, Syd Uni Graduate Corporate Management, Deakin Uni 2013 Leadership Development Program, Melbourne Business School 2016 Business Strategy & Financial Acumen, Insead
Directorships	Director St.George Rowing Club since 2009
Rowing Experience	Competitive rower since 1977 Was a crew member in first Elite National Title, Coxed Youth 4, 1979 Captain Como Boatshed since 2009 Multiple state and national medallist for both Elite and Masters Rowing Silver medallist in World Masters Games MD4X
Experience / Accomplishments	<p>I am a Senior Operations and Engineering Executive Leader with a proven track record of constructive transformation of EHS, processes, facilities and human performance. I have a demonstrated commitment to achieving challenged critical goals by delivering excellence and efficiency at both strategic and operational levels.</p> <p>I have vast experience managing large 24/7 operations, including shutdowns, Enterprise Bargaining Agreements, large capital portfolios and have worked closely with external consultants on global strategic studies.</p> <p>I am a successful change leader and have led the petroleum industry on national product quality changes, as well provide direction and interpretation on regulatory compliance.</p> <p>I successfully contributed both on and off the water with St.George Rowing Club winning its inaugural NSW Club Championship in 2012-2013. This feat was repeated twice in the following three regatta seasons.</p> <p>After more than 6 years of negotiation with local council and NSW maritime, Como boatshed received its first floating pontoon in 2018, this will allow greater access for rowing boats at low tides and improve safety to rowers.</p>
Volunteer / Community Work	My volunteer work is Captain of the Como Boatshed, this involves the day-to-day activities, budget, strategic planning, boat allocation, regatta entries and management of people at Como. This work was recognised in 2014 when I was runner-up in NSW Volunteer Sports Administrator of the Year Award.
