CONGRATULATIONS

Welcome to Highwater at Rowers on Cooks River, where your wedding will be a stunning occasion set against the area's most coveted water backdrop. A once in a lifetime event such as this deserves for every element to be seamless and beautiful.

For any bride, groom and their families, weddings are notoriously busy days with so much to consider, and so many people to please.

Our highly skilled team are here to handle all of the elements on pre planning, right through to throwing the bouquet. All you need to do is relax and celebrate making life long memories.

Arrive in style via water vessel, or luxury car and say "I do" on absolute waterfront from our private pontoon. The surrounding picturesque parklands allow you to capture the beautiful moments of your special day with our covered terrace ceremonies also available.

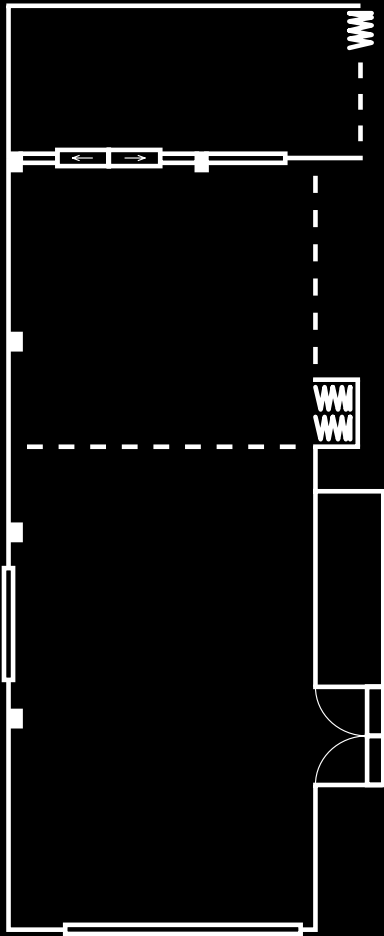

The water facing reception room offers an elegant space for you to celebrate your new nuptials. Lending itself to any style you may be after. Whether you want to decorate yourself or let our experienced team look after all the details – we have you covered.
