(14) RESPONDING TO A CHILD SAFETY CONCERN

(a) We aim to provide accessible and responsive complaints management processes that are focused on the needs of children and young people. We do this in the following manner:

(b) Where a child is at immediate risk of serious harm, any adult present should call 000. Thereafter, the Responsible Person should be contacted as soon as is reasonably practicable.

(c) Where there is a safeguarding concern but no immediate risk of serious harm, the adult who has heard or witnessed this concern should consult with the Responsible Person as soon as practicable and by no later than the end of that same day.

- listen calmly and carefully, showing that their views are taken seriously

- provide an appropriate and honest level of reassurance
- avoid interrogating children and asking probing, intrusive and/or leading questions
- avoid making false promises regarding secrets and confidentiality with the child (because any concern of abuse/harm must be shared with the Responsible Person and any subsequent safeguarding referral)
- make a confidential *written* record of the discussion either during the discussion or immediately afterwards. The record should include the key details of the disclosure together with any relevant times, dates, places and people concerned. Audio and video recordings of children making disclosures should be avoided
- refer all relevant information to the Responsible Person as soon as practicable afterwards, and by no later than the end of the day

(e) Upon receipt of any safeguarding concern, the Responsible Person shall consult with any other relevant persons and will make any appropriate referrals to the relevant authorities.

- harming a child either physically or emotionally
- exposing a child to behaviour which may cause physical or emotional harm
- engaging in criminal activity concerning a child

this must be raised in the first instance with the Responsible Person (or where this is not appropriate, a different senior member of the Organisation) so that the next appropriate steps may be agreed and actioned. We recognise that there could be circumstances where a person may need to report a matter that has taken place in a setting outside of the person's engagement with the Organisation.

(b) Usually, any appropriate steps following a safeguarding referral in respect of an individual connected to the Organisation will include either:

- further initial enquiries
- escalation to the applicable authority for assessment and/or the police for investigation
- instigation of any appropriate disciplinary, formal investigation processes and suspension of any person concerned within the Organisation
- a referral to any relevant regulatory bodies

(c) Any person within the Organisation who has allegations made against them shall be informed properly in a formal meeting of the particulars of the allegations and the relevant next steps which shall be taken. Such a meeting should ordinarily be held by the Responsible Person. On certain occasions, such a meeting may not be convened until this has been approved by any authorities involved (such as the police or the relevant local authority).

(d) Any person from within the Organisation who has allegations made against them shall be treated fairly. All enquires, investigations and decisions taken shall be just and fair, with the safety of any child concerned at the heart of the process.

(d) Where any behaviour amounting to bullying continues following this, the following steps will be taken:

The child or children who have found to be responsible for persistent behaviour which amounts to bullying of another child shall be banned from attending the premises.

(e) All steps in relation to the prevention or management of bullying should be taken in consultation with the Responsible Person.

- make a written record of the incident and ensure this is reported appropriately to the Responsible Person

(22) PHOTOGRAPHY
